Michael,

Letters were mailed yesterday with thanks and acknowledgement of donations to the Upper Keys Rotary Foundation specific to post-Irma Relief. I included a photo but thought I should e-mail as well. Attached is a photo of Don Horton and me presenting the check from Rotary Club of Vero Beach to our club. We are most thankful for your support and donation. YIRS, Jill

RE: Hurricane Relief in the Keys

Dear Don,

Further to your discussions with Rip Tosun and Trish Scattergood from our Rotary Club of Vero Beach, we are pleased to send your Club the enclosed check in the amount of \$1,400. We understand that there is massive devastation as a result of Hurricane Irma, and we trust that your Club will use this check to purchase supplies and/or gift cards to help the people in your area who are most in need.

It would be greatly appreciated if you could arrange to have someone take a picture of you (holding the enclosed check) and whoever else you think will be most involved in this process. You could email it back to us – feel free to use my email address of: kanuka@oceanmortgage.com

Finally, like the picture, it would also be great if someone in your club could keep us posted on if or how our Club was able to make a difference – even if small – so that we can report this back to all of our members.

We are happy to be able to help in any way we can.

Sincerely yours in Rotary,
